Into the Woods Audition song lyrics

On the Steps of the Palace (Meas. 3-36)

He's a very smart Prince
He's a Prince who prepares
Knowing this time I'd run from him
He spread pitch on the stairs
And I'm caught unawares
Well it means that he cares
This is more than just malice
Better stop and take stock
While you're standing here stuck
On the steps of the palace

You think, what do you want
You think, make a decision
Why not stay and be caught
You think, well, it's a thought
What would be his response
But then what if he knew
Who you were when you know
That you're not what he thinks
That he wants?

Moments in the Woods (Meas. 45-61)

Face the facts, find the boy
Join the group, stop the giant
Just get out of these woods
Was that him?
Yes, it was
Was that me?
No, it wasn't
Just a trick of the woods
Just a moment
One peculiar passing moment
Must it all be either less or more?
Either plain or grand?
Is it always "or?"
Is it never "and?"

Agony**(Meas. 50-end) (Rapunzel's Prince)**

You know nothing of madness
'Til you're climbing her hair
And you see her up there as you're nearing her
All the while hearing her
Ah
Agony, Woe! Though it's different for each
Always ten steps below
And she's just out of reach
Agony, that can cut like a knife
I must have her to wife.

It Takes Two**(Meas.18-33)**

It takes two
I thought one was enough
It's not true
It takes two of us
You came through
When the journey was rough
It took you
It took two of us
It takes care
It takes patience and fear and despair
To change
Though you swear
To change
Who can tell if you do
It takes two

I Know Things Now
(Meas. 2-38)

Mother said, "Straight ahead"
Not to delay or be misled
I should have heeded her advice
But he seemed so nice
And he showed me things
Many beautiful things
That I hadn't thought to explore
They were off my path
So I never had dared
I had been so careful
I never had cared
And he made me feel excited
Well, excited and scared

When he said, "Come in!"
With that sickening grin
How could I know what was in store?
Once his teeth were bared
Though, I really got scared
Well, excited and scared

But he drew me close
And he swallowed me down
Down a dark slimy path
Where lie secrets that I never want to know
And when everything familiar
Seemed to disappear forever
At the end of the path
Was Granny once again
So we lay in the dark
Until someone sets us free
And we're brought into the light
And we're back at the start...

Last Midnight

(Meas. 138-end)

It's the last midnight
It's the last verse
Now, before it's past midnight
I'm leaving you my last curse
I'm leaving you alone
You can tend the garden, it's yours
Separate and alone
Everybody down on all fours
All right, mother, when?
Lost the beans again!
Punish me the way you did then!
Give me claws and a hunch
Just away from this bunch
And the gloom
And the doom
And the boom
Cruuunch!

Giants in the Sky

(Meas. 51-67)

And you scramble down
And you look below
And the world you know
Begins to grow
The roof, the house and your
Mother at the door
The roof, the house and the world you never thought to explore
And you think of all the things you've seen
And you wish that you could live in between
And you're back again
Only different than before...
